## Approved For Release 2005/05/20 : CIA-RDP74B00415R000200010036-6

27 April 1971

	MEMORANDUM FOR THE RECORD	
25X1	SUBJECT:	
25X1 25X1	l. The copies of correspondence attached to a letter to Representative John P. Saylor (R., Pa.) dated 12 April 1971 from a constituent, was discussed with Office of Medical Services. expressed his concern to Representative Saylor that he has, over a period of time, received numerous requests from Government agencies for medical information concerning patients without authorization from the patient or responsibility for payment for the necessary services.	25X1
25X1	2. stated that is an applicant for Agency employment. She provided certain information in her medical form which	25X1
25X1	raised questions. sent her a letter on 17 February asking that she request her doctor to provide a summary of her medical problem.  The letter noted that the Agency could not reimburse her for any expense involved. This unfortunately resulted in a parise of explanation of any expense.	25X1 25X1
25X1	involved. This unfortunately resulted in a series of exchanges of correspondence between and and and insisted on the Agency securing a release from and paying for	
25X1 25X1	his services before he would provide a medical summary. On 5 April  wrote to stating she had contacted  and had paid him for the medical summary which she hoped would be	<del>25</del> X1 25X1
25X1 25X1 25X1	promptly sent to This has not been received to date. On 26 April received a letter from a furnishing the necessary medical information.	
25X1 25X1	informed me that he was sending a letter to  advising her of the receipt of the medical information and that her application is being processed.  stated that he has no receipt of a letter to him from lated 10 April 1971, a copy of	25X1 25X1
25X1	which was attached to letter to Representative Saylor.	20/(1
